Subject: regulatory reporting on the WV Spill

Dave,

As a follow-up to Larry's message requesting information from the region on regulatory, enforcement, and affiliation particulars on the RP, please keep the EOC copied on any info packets that are generated.

I checked the RMP dbase and did not see a listing for Freedom Industries. On the noon press call the HQ press folks said they were getting some background information on enforcement which should be shared with your press folks if they haven't received already.

We have folks in the EOC through this afternoon to help package any incoming and then the After Hours Watch Officer can support with follow-up after 5 PM.

Eugene
